540-741-1160

Chryston Herndon
Mary Washington Healthcare
Education Coordinator
540-741-2679

Prerequisites

1. You must have a **current** American Heart Association BLS for Healthcare Provider CPR card and an AHA PALS Provider card.
2. You must have working knowledge of cardiac arrhythmias and code drugs.
3. Must be a EMT-I level or above

Schedule

Day One

0730-0800 Registration

0800-1730 Skills/Learning Sessions/Testing

Please notify MWHC AHA Training Center prior to class if you require special accommodations. Every effort will be made to assist students while adhering to AHA guidelines.

Course Goal

The goal of this course is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes.

Objectives

Successful Participants will be able to:

- ❑ Perform effective, high-quality CPR when appropriate
- ❑ Describe the timely recognition and interventions required to prevent respiratory and cardiac arrest in any pediatric patient
- ❑ Describe the systematic approach to pediatric assessment by using the initial impression, primary and secondary assessments, and diagnostic tests
- ❑ Describe priorities and specific interventions for infants and children with respiratory and/or circulatory emergencies
- ❑ Explain the importance of effective team dynamics, including individual roles and responsibilities, during a pediatric resuscitation
- ❑ Describe the key elements of post resuscitation management

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

Note:

Registrations are taken on a first-come, first-serve basis. Maximum class size is 15. Registration forms that are complete with payment and appropriate documentation will be processed first. Confirmation letters will be mailed based on availability of the requested course date.

Cancellations:

Tuition will be refunded less the cost of materials and a \$25 processing fee if notice is received within 30 days prior to the course date. If canceling less than 2 weeks prior to the course date, no refund will be given.
