Thank you for choosing Outpatient Nutrition Counseling Services located at Stafford Medical Pavilion, 125 Hospital Center Blvd., Suite 217. We are committed to helping you reach your health goals.

Your initial appointment is scheduled for:

_____ at _____ a.m. _____ p.m.

Please arrive 5-10 minutes before your appointment.

Directions and Parking:

Stafford Hospital Pavilion is located off I-95 exit 140. Take Hospital Center Boulevard east for approximately 1 mile. Go straight through the traffic light at Route 1 (Jefferson Davis Blvd.), and the third left will take you to the parking lot for the Medical Pavilion. Once inside the Pavilion, look for Suite 217, located on second floor. It will say Diabetes Management Program on the door. Nutrition Counseling is in the same suite.

Insurance Coverage:

It is your responsibility to contact your insurance company to determine if you have the benefits to see an **outpatient dietitian for Medical Nutrition Therapy**. Your insurance company may require that you have pre-authorization for services. This is NOT the same as the physician order. Having a doctor's order does not guarantee insurance coverage. As a courtesy, Stafford Hospital will bill your insurance company. **Our fees are: \$40 per each 15-minute block.** A typical initial consult is 1 to 1¼ hour (\$160-\$200) and follow ups are usually 30-45 minutes (\$80-\$120).

What to bring to your appointment:

- Your insurance card and insurance authorization (if required)
- Blood sugar record if you are checking your blood sugar
- A spouse, friend or family member, if desired
- Completed form included in this packet

We have reserved your appointment just for you. **If you are unable to keep your appointment, please call us at least 24 hours in advance at 540.741.2210.**
