

# Healthcare DISCOVERY Symposium

Exposing Students to Innovation

**June 14 - 16, 2022**

Attend one day, all days, or specific sessions.

The **free** virtual event is an exciting and informative multiday series that provides insight into various health career paths featuring:

**Special Interest  
Presentations**

**Career  
Exploration**

**Virtual  
Tours**

**Corporate  
Panel**

**Experiential  
Learning**

The conference will allow students to discover areas within healthcare and provide resources for individual career paths.

Students interested in exploring opportunities in the healthcare field are encouraged to attend.
